These losses are currently estimated at no less than $148,000 (exclusive of GST), and our Client reserves the right to quantify additional losses as they crystallise.

We hereby put you on notice that unless Okafor Constructions Pty Ltd provides a written remediation plan acceptable to our Client within 14 days of the date of this letter, our Client intends to exercise its rights under clause 14 of the Agreement, including the right to terminate and pursue all available remedies at law and in equity.

We trust you will treat this matter with the urgency it deserves. Please direct any response to the undersigned. Nothing in this letter should be construed as a waiver of any rights our Client may have under the Agreement or at law.

Yours faithfully,
